

UMVUZO HEALTH 2023 CONTRIBUTIONS PER OPTION

ULTRA AFFORDABLE VALUE

THE ULTRA AFFORDABLE OPTION is a network Option that is specifically designed for younger people entering the medical aid market for the first time. It is ideal for single people as well as young couples with healthy lifestyles.

For an even more affordable solution, at the primary level, this Option allows members to nominate one GP from the Universal Network of Health Providers for all consultations. This nominated, contracted GP must be seen for all ailments and referrals to other medical interventions, if and when necessary.

This is how we ensure better and coordinated healthcare outcomes for our members. This network of health providers is available countrywide to ensure access for our members and their families. Members have access to all private hospital groups countrywide, ensuring you cover wherever you may be.

INCOME BELOW R9 500

ULTRA AFFORDABLE

THE ULTRA AFFORDABLE OPTION is a network Option that is specifically designed for younger people entering the medical aid market for the first time. It is ideal for single people as well as young couples with healthy lifestyles.

At the primary level, this Option makes use of the Universal Network of Health Providers. It is therefore important that you first consult your contracted GP for all ailments and let your GP be the one to refer you for other medical interventions, if and when necessary. This is how we ensure an integrated and holistic approach to your health.

This network of health providers is available countrywide to ensure nationwide access for our members and their families. Members also have access to all private hospital groups, ensuring you cover wherever you may be.

INCOME BELOW R9 500

CHILD DEPENDANT:	R 842.00

ACTIVATOR

THE ACTIVATOR OPTION is a hybrid option designed for younger people entering the medical aid market for the first time. It is ideal for single people as well as young couples with healthy lifestyles.

It provides cost-effective healthcare cover at a member's nominated GP of choice. This member-nominated GP must be consulted for all ailments and must be the one to make referrals for other medical interventions, if and when necessary, by the member. Additional baskets of benefits are available for all other service. This is how we ensure better and coordinated healthcare outcomes for our members and the Option's continued affordability.

Members have access to all private hospital groups countrywide, ensuring cover wherever you may be.

MAIN MEMBER:	R1 767.00
ADULT DEPENDANT:	R1 767.00
CHILD DEPENDANT:	R 838.00

STANDARD

THE STANDARD OPTION is a comprehensive Option with generous benefits on all levels to suit the healthcare needs of the whole family. This is a cost-effective option that is suitable for middle income earners.

At the primary level, this Option, makes use of the Universal Network of Health Providers. It is therefore important that you first consult your contracted GP for all ailments and let your GP be the one to refer you for other medical interventions, if and when necessary. This is how we ensure an integrated and holistic approach to your health. This network of health providers is available countrywide to ensure nationwide access for our members and their families. Members also have access to all private hospital groups, ensuring you cover wherever you may be in the country.
